Purchase of Handicrafts from Andhra Pradesh

819. SHRIMATI RENUKA CHOWDHURY: Will the Minister of TEXTILES be pleased to state:

(a) whether it is a fact that production of handicrafts in Andhra State is worth more than Rs. 16 crores per year;

(b) whether it is also a fact that the Handicrafts Development Corporation has purchased handicrafts worth Rs. 6 crores only during 1986-87 resulting in great hardship to the handicraft weavers;

(c) if so, whether the Central Government would ensure that handicrafts from Andhra Pradesh are purchased in sufficient quantities so as to promote handicrafts in that State; and

(d) what are the proposals of the Central Government in this regard?

THE MINISTER OF TEXTILES (SHRI RAM NIWAS MIRDHA): (a) Being a decentralised sector, no reliable data on the production of handicrafts in Andhra Pradesh is available.

(b) to (d) Purchases by State Handicraft Corporation is a matter under the purview of the State Government, which decides on quantum and extent of purchases. However, it would not be possible for SHDCs to purchase entire handicrafts production of a State on account of financial constraints.

The Central Government extends financial assistance to State Handicraft Corporations by way of equity participation, opening/renovation of sales outlets, setting up of raw material depots, besides assistance for design, training and technical support.
